Visual Arts- Making The Invisible Word Visible

By adding Visual Art as a component to the Worship Service or Sermon, it gives the congregation another avenue not only to worship but to understand the days message.

If you are interested in being a part of this exciting new beginning at St. Johns please speak to Pam Waters at 433-4000. The goal is to have a small team of creative individuals, no special skills needed, who will work together to enhance the weekly and monthly visual experience. Estimated time each week will be approximately 1hour, depending on how creative you want to be. Four teams of 2 persons is desirable but everyone is welcome.

VBS will take place June 24-28. Mark your calendars and tell your friends and neighbors. This is a wonderful opportunity to invite unchurched people you know to introduce them and their children to Jesus.
