### **Notes for the Lord's Supper**

For those with sensitivities to alcohol, non-alcohol wine is offered in the light colored cups in the center of the communion tray. Also, if you need a gluten-free wafer, please contact an usher, the pastor, or an elder before the service so this can be available.

**A CHALLENGE:** An LCMS pastor said that he had heard when 60% of those attending Sunday worship were in a Bible study the congregation would begin to grow. He challenged his congregation to do this and it WORKED! The congregation grew rapidly. Let's do this at St. John's! Can we get 30 people attending Bible study on Sunday morning? Every council and board member – join the recommendation of AoR and join the Sunday morning Bible study. Set an example to the others. You will be surprised at what you have forgotten about the catechism.

### **Bible Study Encouraged**

As we start up with new boards and a new school year, I would ask everyone to strongly consider getting into Bible study. The preliminary report from Ambassadors of Reconciliation included an observation of a lack of Bible study. The Bible needs to be the focus and central piece of everything we do. Most especially come to the Sunday morning study. We will be looking at and applying Luther's Small Catechism to our daily life in Christ.

Additionally I would ask each board to consider following the example the Pastor and Elders have set. Take 10-15 minutes, at the beginning of each meeting, looking into God's Word. The struggle is often in knowing what, or finding, something to study. We all get, through the generosity of this congregation, a copy of the Lutheran Witness. There is a brief Bible study in there each month. I would encourage you to start each meeting with that study. Look at what God's Word says, then get about the business of the Church, which can only be done when God's Word is the focus.

Please pray about this and allow the Holy Spirit to work, through God's Word, to lead in Jesus' name.

Pastor James.
