As we Gather

How important is it to dedicate some time for God? If it is important, how much time? I an hour the limit we can endure, or maybe two? The God who created us and gave us life knows what we need, and better that we do. He knows, because He made us, what we need even when we don't. The Sabbath is no longer a regulation required by all, but all are required to be good stewards of all He has give in time, talents and treasures. Is there wisdom in honoring the God who loves us by dedicating time to Him.

Collect Prayer

P: Dear Lord, thank you for dying on the cross and paying for our sins. Thank you for rising from the dead to give us eternal life. Give us knowledge to see that You do love us, and care for us. Give us wisdom to see the benefits of worshiping You, and taking the time to enjoy the gifts You have given. This we pray through Jesus Christ, Your Son our Lord, who lives, and reigns with You and the Holy Spirit, one God, now and forever.

C: Amen.
